February Book:

“Shipwreck At The Bottom
Of The World”

By Jennifer Armstrong

"Describes the events of the 1914 Shackleton Antarctic expedition when, after being trapped in a frozen sea for nine months, their ship, Endurance, was finally crushed. This forced Shackleton and his men to make a very long and perilous journey across ice and stormy seas to reach inhabited land."

Pick up this month's book at the library and read it at home. Kids will get a snack before playing a jeopardy! game using questions of basic recall over literary elements. Book discussion will follow.
